Auction Account:	\$11,586.66
Reimbursements	\$15.79
	\$26.48
Sponsor Deposit	\$2,250.00

Ms. Laughlin looking for money for the gym. Jim suggests we move this to the next meeting to get more facts from Ms. Laughlin.

Principals Report- Mr. McCafferty

Friday 11/13/15 the kids will be the DJ's for the dance. 6th grade is welcome.

Speakers, mixer, laptop will be used. A staff member will work with the children/students.

Casey came in last week and SNHU/Celtics made an offer towards the computer lab such as a big screen, sitting area available to children and staff.

90 Chrome books were delivered today.

Week of March 23rd will be the Ice Cream Social, Book fair, and student work exhibition in the gym.

There will be an assembly on March 31st-possiblilty of a Celtic member being present.

All of these dates will be on the Hillside website.

New traffic routes have been helpful in the morning. Buses are following new routes. Mr. McCafferty encourages everyone to spread the word about pick up and drop off protocols for everyone's safety.

A letter went home about practicing lock down drill. All went smoothly. Back of letter includes information about safety.
Emergency personnel are trying to be as proactive as possible.
Mr. McCafferty thanks Mr. Krantz for his experience, advice, and encouragement.
Also thank you to the PTO for all their efforts.

Jim O'Connell:
Online Safety is Thursday, February 19th, 2015 at 6pm.
Word has gone out to feeder elementary schools.

School Store:
Tanya apologizes for not being able to make the meeting. School store will be up and running by March on Friday mornings. Volunteers are needed. Tina Favorite would like to help.

School TV monitors for the cafeteria are approximately \$11,000.00 for both units. These are commercial units. The dollar amount is higher than expected and comes with software. A server would also be included.

Jim has been looking at another company for a better deal. \$3,000.00 for two commercial units-software and server would be about \$6,000.00.
It would be nice to have it installed before the open house.
Some cables would need to run from the office to the cafeteria.

Mr. McCafferty motions to make \$7,000.00 available to Jim to make decisions.
Sherry seconds the motion. All in favor.

Jim reports that CHS teachers were advised that allocation of classes will be done through Aspen. Someone from Aspen should be invited to PTO to give parents information.
Manchester School District IT employee states parts of Aspen are left unused.

Sports:
September 2015 Gymnastics being added to middle school.
Soccer is moving forward for Fall 2015 and it will be Tri-County
Hillside Field is on Capital Improvement Project (CIP)

Meeting is open for questions.
Clarification is made that the Valentine's Day Dance is not "for couples" It's open to all students.

Meeting Adjourned 8:08 pm
