RE: Maggie Philbrook – Discussion of tree. We will talk more at next meeting. We have a donor for the tree for at least \$1,000. We are looking at a May-June time frame.

Budget – See Budget handout
School - \$49.85
PTO fund - \$6796.58 (includes Auction account of \$4754.43)
Operating - \$1473 – we bought magazines

Treasurer

Mike is finishing as treasurer. We need a replacement. Does anyone know an accountant that will do pro bono?

Principal McCafferty – ‘Appreciate everyone’s efforts. ‘Want to thank Sherry for the website.

RE: Maggie Philbrook – Maggie’s dad was here today and he is “extremely appreciative” of the outreach.

Soccer

Per Jim O’Connell (?) Soccer will be happening this spring but we have not run it by the district yet. Would like to start the first week of April with play-offs in May. We have Parkside so far and will have to transport for two games. Practices will be here but hope that games will be at Trinity or Manchester North. 21st Century will be paying for transport. We have coaches. Both Schools are ready. If other schools join in, that’s good.

Per Mr. McCafferty, we have low expectations. We are not sure how it’s going to run but we have ideas. It’s sponsored by 21st Century and the PTO – technically through 21st Century.

HAMS - Next meeting May 6, now at 6:15. We are having quarterly meetings now.

Fundraising issues:

Discussion of 10 cases of wine donation by Mindy Kacavas – how to sell?

Discussion of cost of necklace game. Consensus was \$1.00.

Leslie Want needs helpers to photocopy program books.
